

Father and Son reunion in Africa 13 years after John-Michael was unlawfully abduction to and retained in Germany

*The last two **Great Hickman Warriors**, father and son reunited ready to take on the injustice of the world together*

A very proud and loving father botanising with his newly reclaimed son in the African bush

John-Michael eager to hear the Dad that he loves so very dearly explaining the biology and ecology of the African bush

The no longer so little John-Michael behind the steering wheel of his Dads Range Rover with a proud and loving Dad giving him his first instruction on driving in the African bush
